WHOLE BLANCHED ALMONDS

TASTING NOTES Intense flavour of casein with an elegant finish followed by a remarkable persistence in the mouth. Perceptions due to the richness of almond in essential oils (59.57% of which almost 74% is represented by oleic acid, followed by 18.6% of the inoleic acid and 5.5% of palmitic acid) . Full and balanced palate with remembrance of wheat and white flowers.
